

400T SERIES

SELF-SERVICE COIN CENTERS

SELF-SERVICE COIN CENTERS

MODEL 405T FULL SORT

MODEL 424T MIXED OUTPUT

Ideal for institutions with weight lifting restrictions

Using our design thinking approach focusing on what's important to you:

- Creating a positive experience
- Simplifying operation
- Minimizing interaction
- Quiet, non-disruptive operation
 - Optimum speed to meet noise reduction requirements

DESIGN FEATURES

- 1 Simple Touch Screen Operation** Easy to read prompting display
- 2 Integrated Debris Removal Tray** Removes dirt, foreign objects, and liquids
- 3 Reject Capability** Automatically off sorts foreign coins, tokens or slugs from the coin mix
- 4 Pull-out Shelf** Easy access to the entire counting and sorting mechanism
- 5 Continuous Cleaning Mechanism** Removes sand and other small objects during counting process
- 6 Bag Management Section** Direct access to all bags through secure single door: coins feed directly into bags at floor level, minimizing lifting which allows for easy bag removal. Model 405T full sorts to 5 bags Model 424T mixed output to 4 bags
